HIGH FOOD COST BRINGS RISE IN LUNCH PRICES

Slight changes have been adopted, effective with the opening of school next week, in the school lunch program of the Albany schools, as a result of the rising costs of food. The changes that have been made follow a careful study of costs and have, according to Grace Hochmuth, cafeteria manager, been kept at an absolute minimum.

At the elementary schools, a hot plate lunch will continue to be served for 20 cents; this lunch includes a hot meat or meat substitute, a hot vegetable, a raw crisp vegetable or fruit, a sandwich, a half pint of milk, and a dessert. For those children who bring a lunch from home, soup at 6 cents a bowl and milk at 4 cents a half pint are available. Also, 5 cents worth of candy or ice cream may be purchased by those wishing one or the other. Parents of elementary school children are encouraged to purchase lunch cards for their children. The cards are of two types, each costing \$1.00. Card No. 1 entitles the student to five hot lunches, at any time. Card No. 2 is designed for those students who bring a lunch from home and may be used for soup, milk, or ice cream but not candy. The card system was started some time ago in order that parents might be assured their children were getting balanced meals and because of the

frequent loss of lunch money by the children. However, school lunches may be purchased with cash by the children.

High schools will feature a hot plate lunch with the same foods, but more generous servings, and will continue to be served for 25 cents. Sandwiches and salads will be raised from 8 cents to 10 cents each. Soup and milk at the same prices as in the elementary schools will continue to be available.

Miss Hochmuth pointed out that the only reason lunch prices could be established at the low level they are is due to the fact that there is a federal subsidy of 9 cents on each plate lunch sold to students and 2 cents on every half pint of milk sold separately from the hot plate.

Breakfast Club

The Albany Women's and Men's Breakfast Club will meet January 12 at 9 a.m. in Jim's Coffee Shop.

21 Awards Are Presented Cubs At Annual Party

Climaxing their eleventh year under the guidance of Cubmaster Crouse, Cub Pack No. 3 held their annual Christmas party and regular quarterly advancement exercises on Friday, December 20, in the Marin school auditorium.

Twenty-one earned awards were presented. The Wolf Silver Arrow was awarded to Paul Janke and to James Bellerive. Bear Badges were presented to Barry Marvick, Richard Coleman, Robert Rogers and Robert Kimble; Bear Gold Arrow to Bruce McGaw; and Bear Silver Arrows to Robert Huskins, Jack Lundberg, Raymond Frederickson and Robert Weiss. The Lion Badge was awarded to Fred Steele, Paul Collier, Martin Johnson, Charles Peterson, Robert Huskins, Richard Varney, and Roy Hill. Lion Gold Arrows went to Carl Anderson and Richard Anderson, and the Lion Silver Arrow to Richard Robins.

A gold star representing a full year of cubbing was presented to Robert Rogers, Charles Peterson, Raymond Frederickson, Richard Varney, Richard Robins and Fred Steele. Webelos, the only badge that can be worn on the scout uniform, was presented to Richard Robins, Fred Steele and Roy Hill.

The graduation ceremonies took place in a setting depicting true Indian lore when Cubs Fred Steele, Richard Robins and Roy Hill were given their graduation certificates and Scout handbooks. Scoutmaster Charles Anderson welcomed the boys into Scouting. Then followed five skits presented by the Cubs for the entertainment of the parents and friends.

Berkeley-Albany PTA Religious Educators Report on 1946

Elmer F. Coble, chairman of religious education for Berkeley-Albany Council of Parent-Teacher Associations, reports that the attendance for release time classes in religious training numbers 1,030 for 1946. He states that there should be an endeavor to give the youths a knowledge of religious subjects. Approximately only 15 percent of the students in Berkeley and Albany area are receiving this instruction. The best teaching staff in the country is available and the instructors have a wide experience and vast knowledge of their work. A larger enrollment is anticipated for 1947, and it is hoped that parents will urge their children to take advantage of this religious instruction.

Classes are for Christian Science churches, Protestant Council of churches, Roman Catholic churches, United Evangelistic churches and Missouri Synod of Albany (Grace Lutheran). This training school is for all boys and girls, regardless of race, color and creed. They are given a knowledge of their rich heritage and a knowledge of their church history. American democracy was founded on freedom of worship, and this basic teaching gives people a background for stability.

Jean McLean Engaged To Wed Harry Mathis

Coming as a surprise this week was the announcement of the engagement of Jean McLean and Robert Bruce Mathis.

Jean is the daughter of the late Lt. John McLean and Mrs. Myrtle McLean, Albany's city clerk and who has been connected with the city government for the past 18 years. The McLean's reside at 907 Curtis Street. Miss McLean is a graduate of Albany High School and of San Francisco Junior College. She served three years in the WAVES with the Western Sea Frontier in San Francisco. At present Jean is attending Armstrong's Business College in Berkeley.

The young man of Jean's choice is Robert Bruce Mathis, son of Mr. and Mrs. Harry L. Mathis of San Francisco. He is a graduate of Lincoln High School in San Francisco and attended Junior College in that city. Young Mathis also served four years in the U. S. Navy and was on duty in both the Atlantic and the Pacific theaters of war. At present he is employed by the E. L. Bruce Company, Inc., of San Francisco.

The daughter of Albany's beloved City Clerk has not set her wedding date as yet, but she says—"soon."

Craft classes, offered in both day and evening, have proved popular in the Albany Evening High School. A class in pottery and mold-making is held at the Recreation Center, 850 Masonic, on Tuesday and Thursday mornings from 9:30 to 12:00, and a second class in the afternoon of the same days from 1:30 to 4:00.

Granholt Reviews YMCA Activities During 1946

In an annual report on Y.M.C.A. activities during the past year, Fred Granholt, president of the organization, praised the "Y" as "a means of helping young people to get some happiness out of life, to grow in mind and spirit, to enjoy better health and to learn how to live together as cooperative members of a democratic society."

Granholt revealed that during 1946 hundreds of high school boys and girls have used the facilities of the Y.M.C.A. every week. "Many returned service men, young adults and married couples also have regularly scheduled time and activities. The coming year will see more young men and women in clubs as well as other types of activities as adjustments are made."

With school reopening Monday the regular winter schedule of the "Y" will get under way again. Assisting with the program will be Kenneth Tucker, Jerry Sivesend, George Chessum, Arlene Cotton, Arilee Pollard, Bertha Foster and Mrs. Jessie Williams. Elmer F. Coble is the executive secretary of Albany's Y.M.C.A.

WELL-KNOWN REALTOR PASSES ON

Christian Science rites were held for George W. Schafer, well-known Albany business man and a resident of this city for the past eighteen years, in the drawing room chapel of the Ellis-Olson Mortuary at 11:30 a.m. December 30. Mr. Schafer passed away December 28 just six days after he had celebrated his seventy-second birthday. He was born in Madison County, Illinois.

Until illness forced his retirement last March, Mr. Schafer was president of the Albany Insurance Association and a long-time member of the local Chamber of Commerce. His passing terminated seventeen years business association with Mrs. Beatrice Raymond in the Raymond-Schafer Realty Company.

Mr. Schafer is survived by a daughter, Mrs. Maurine Jorgenson, and two grandchildren, Lois and Stanley Jorgenson of Berkeley.

Committal service was at Sunset Mausoleum with Burt Calfee, Christian Science Reader, officiating.

NOW...EVERY FAMILY CAN AFFORD FUNERAL INSURANCE
A few years ago it was uncommon to find any family fully prepared to meet the financial burdens of a bereavement. But today, the funeral payment plan that takes care of the entire cost of a complete funeral is one of the most rapidly growing forms of family protection.
A Funeral Service Plan establishes in advance just how much the funeral shall cost and pays the expenses without taking away from the savings and insurance funds of those who remain. And there is added peace of mind in knowing that no one will have to perform many involved business affairs at a time when hearts are troubled by sorrow.
We will be pleased to tell you about a reliable plan that renders a broad service at low cost.
